

**Amendment 3 to
Information Warfare Research Project (IWRP) Consortium Membership Agreement
Effective as of October 9, 2026**

PURPOSE

This Consortium Membership Agreement Amendment is effective on **October 09, 2026**, to ensure continued membership for all IWRP members and uninterrupted consortium operations.

WHEREAS, the Consortium Membership Agreement (“CMA”) was originally entered into, as of June 11, 2018, (and as modified by Amendment 3, effective October 9, 2026) to establish the Information Warfare Research Project (IWRP) Consortium; and

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and promises contained in the CMA, and subject to Paragraph 4, below, the CMA is amended as follows:

- 1. The paragraph entitled “Purpose” is hereby amended to read as indicated in bold italics below:**

PURPOSE

This Consortium Membership Agreement (“CMA”) originally entered into, as of June 11, 2018 (and as modified by ***Amendment 3, effective October 9, 2026***), is to establish and continue membership in the Information Warfare Research Project (IWRP) Consortium.

- 2. The paragraph entitled, “Membership Dues” set forth under Article 1: Consortium Membership is hereby amended to read as indicated in bold italics below:**

Membership Dues. IWRP Members will pay non-refundable annual dues every October 1st in the amounts listed as follows: ***\$375.00 for large businesses, \$125.00 for small businesses, and \$0.00 for academic institutions and nonprofits***. New Members will pay pro-rated dues payable upon initial acceptance of membership and then annual dues thereafter. The pro-rated dues structure, based upon the date of initial application acceptance, is as follows:

Large Business:

- a) October through March - ***\$375.00***
- b) April through September - ***\$187.50***

Small Business:

- a) October through March - ***\$125.00***
- b) April through September - ***\$62.50***

Small Business Administration (SBA) size standards will be used to determine business size. Small business size standards define the largest that a business concern, including all of its affiliates, may be and yet qualify as a small [business concern](#) for SBA and most other federal programs.

The NAICS code is 541715 – Research and Development in the Physical, Engineering, and Life Sciences (Except Nanotechnology and Biotechnology).

- 3. The foregoing amendment to the CMA shall become effective at 12:00 AM, ET October 9, 2026.**
- 4. All other terms and conditions set forth in the CMA are unchanged and remain in full force and effect.**

A conformed copy of the CMA inclusive of the above changes is available on the IWRP Consortium website.
